*Hi and welcome once again!!!*

*It's time to apply for your vendor permit for our farmers market. It doesn't seem possible that we are entering our 9th year. Once again we will be having our market in the parking lot of the Hyde Park Town Hall located at 4383 Albany Post road.*

*After much liberation, we decided to stay at this location for all the reasons we stated last year. First...there is a whole neighborhood around this location, so many customers will be able to walk. Also, we will have electric and bathrooms available. Last year, after starting on the black top drive way, we moved to the grass. This provided a lovely natural setting with out the disgusting goose droppings we experienced the previous years at the drive in.*

*The impact on you directly will mean that space will be at a premium so we will be charging for more than one booth. Insurance will be the same as last year, The Hyde Park Farmers Market, the Hyde Park Chamber of Commerce and the Town of Hyde Park. So make sure you let your insurance carrier know.*

*This is about all for now so fill out your application and get it back to us. You have until April 15 to return your application. As always, any questions please call Paul or I at 229-9111 between 9:00 to 5:00 or 229-9336 after 6:00.*

*Most Sincerely:*

*Dot Chenevert, AIFD  
President, Hyde Park Farmers Market*
